## OUR WELLNESS CONCEPT

We believe in authentic wellbeing, rooted in the balance between body and mind. Every treatment is designed to take you on a complete sensory journey.

You can choose the spa bed that best suits your needs and preferences, letting yourself be guided by the experience you wish to create.

## OUR WELLNESS LOUNGERS

### Water bed

An ergonomic bed featuring advanced technology that diffuses gentle heat around the body to promote deep relaxation, improve circulation, and purify the skin.

### Quartz bed

A treatment bed equipped with a thermal relaxation system that diffuses pleasant warmth over the body, dissolving muscle tension and promoting deep calm and relaxation.

### Music bed

A treatment bed with an integrated music therapy system: it diffuses harmonious melodies to guide both body and mind into a state of profound balance and regeneration.
